## **1. 10X International Vision and Mission Statement**

Vision- 10X International School, Mysuru

10X International School will harness the positive power of academic excellence, exponential technologies, and innovative competencies, to create leaders of tomorrow, who will be future ready as life and business entrepreneurs.

Our Mission

To create humane individuals who are future-ready and life-ready.

## **2. IB Mission Statement**

The International Baccalaureate® aims to develop inquiring, knowledgeable, and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

To this end the organization works with schools, governments, and international organizations to develop challenging programmes of international education and rigorous assessment.

These programmes encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

### 3. Admission Policy Statement:

At 10X International School in Mysuru, we welcome high-ability students from all backgrounds who will benefit from our rigorous, innovative, and research-based internationally accredited education. The curriculum is delivered in English. We take pride in our transparent policies.

### 4. Policy Aims, Objectives, and Scope

- To ensure that the objectives of the Parent/student are met through the clear admission guidelines.
- A transparent and equitable admission process for students from all communities, ensuring that parents of admission-seeking students share common values and collaborate effectively with the school to maximize the student's potential.
- Adherence to local laws.

This policy affects all stakeholders including but not limited to 10X International Mysuru sections, classes, grades, and departments for IB students, teachers, and parents/legal guardians.

### 5. Definitions:

Here are clear definitions of some key terms used in this document:

IB: International Baccalaureate

IBO: International Baccalaureate Organization

IB Diploma Programme: A two-year assessed educational program primarily designed for students aged 16 to 19. This program provides an internationally recognized qualification for entry into higher education.

MYP: Middle Years Program

MYPC: Middle Years Program Coordinator

DP: Diploma Programme

DPC: Diploma Programme Coordinator

CAS: Creativity, Activity, and Service

TOK: Theory of Knowledge

HL/SL: These acronyms refer to Higher Level (HL) and Standard Level (SL). The International Baccalaureate Diploma Programme (IBDP) offers subjects at both these levels.

## 6. Student Application/ Admission Process

### 6.1 Pre-admission procedures (Grades MYP4 and DP1)

All applicants must begin the application process by filling out the Online Admission Forms available on the school's website. They are also expected to submit:

- Photocopy of Birth Certificate or Passport (front and back page)
- Aadhar Card copies of both Parents'
- PAN Card copies of both Parents'
- Transfer Certificate
- Past 2 years of progress reports
- For single parents, the single-parent proof would be required.

### 6.2 Final Admission Procedures

Selection is based on several criteria, which include:

1. Performance in the entrance test.
2. Past school results and reports.
3. A face-to-face interview, if required, with the Admissions Officer, Program Coordinator, School Principal, or another designated school staff member.
4. Age appropriateness for the year/grade level for which admission is being sought.
5. A Transfer Certificate from the previous school.
6. Priority will be given to siblings of students who have already secured admission to the school.
7. Direct admission to the 2-year IB Diploma Programme is available for applicants who have completed the equivalent of 10 years of schooling in a different education system, excluding Preschool and Kindergarten. For example, it includes qualifications such as CBSE/ICSE grade 10 or similar international certifications like IGCSE or MYP5.

The admissions team will assess the initial evaluation to determine if further support is needed. All the Parents will be informed accordingly.

## 7. Entry Requirement:

### 7.1 External Candidate-

To enter the IB MYP/DP programme, applicants are expected to have:

- a high proficiency in English
- a solid foundation in Math
- possess personal qualities that demonstrate a willingness to work dedicatedly on schoolwork.

### 7.2 Internal Candidate (MYP5 to DP)

All students admitted to 10X International School, Mysuru, and who completed grade 10 will be able to access all areas of the DP curriculum and the entry requirements are as follows:

## **8. Curriculum Orientations and Subject Selection**

To ensure that students and their parents are well-informed and prepared for these programs on offer, the coordinators conduct orientation sessions. These sessions provide information about the subjects available to students entering Grades 9 and 11.

The school will be hosting an IBDP Parent and Student Orientation Session in November for Grade 10 students. During this session, the IBDP Coordinator and subject teachers will provide important information about the IBDP. They will explain how they will support students throughout the two-year course and share specific details for each subject. 10X International School in Mysuru encourages all students to enroll in a Diploma program rather than individual courses.

After the orientation, each interested student will receive a hard copy of the registration form. This form must be submitted within one week of the orientation. Students and parents are encouraged to schedule an appointment with the Diploma Programme Coordinator (DPC) to discuss subject selection.

After the registration forms are submitted, an individual meeting will be arranged for each candidate with the college counselor. Parents are welcome to attend this meeting, which aims to ensure that students choose subjects that align with their interests and future academic requirements. All assessment components for each of the six subjects and the additional Diploma requirements must be completed in order to qualify for the award of the IB Diploma.

9. **Review procedures-** Principals, Coordinators, and the Admissions Department will review the Admission Criteria in consultation with subject teachers once a year.

All school policies are communicated to the teachers, students, and parents through regular communications and are uploaded on the school website.
